

Simplify your signage

OPS-DRD

NEC Display Solution's OPS-DRD allows you to store content directly on your device with 8GB NAND flash. Utilize the built-in wired or wireless LAN to fully network your device.

Simplify your **installation** with the OPS-DRD

OPS standardization allows for internal video, audio and power control directly within the display. No external devices and connections are needed.

Simplify your **signage** with the OPS-DRD
