NEC DISPLAY JOINS THEMED ENTERTAINMENT ASSOCIATION

TEA's Marquis Members Provide Entrée for NEC Display to Drive New Digital Experiences

CHICAGO – August 25, 2015 – [NEC Display Solutions of America](#), a leading provider of commercial LCD display and projector solutions, today announced its membership with the Themed Entertainment Association (TEA), an international non-profit trade group representing the world's leading creators, developers, designers and producers of compelling places and experiences.

TEA provides member organizations with channels and opportunities for networking, education and business growth. For its part, NEC Display's strategic focus on display technologies, solutions development and services for global companies will help TEA advance its objectives.

NEC Display is at the forefront of development of Ultra-HD displays, solid state light source projectors and other visual technologies.

"TEA has great relationships with organizations and technology suppliers that will be mutually beneficial," said Richard Ventura, Vice President of Business Development and Solutions at NEC Display. "NEC is all about helping people and organizations communicate, build relationships, inspire, impart knowledge and improve productivity. We're very excited about joining TEA."

TEA members play leading roles in entertainment and education projects at theme parks, water parks, museums, zoos, corporate visitor centers, casinos, restaurants, branded experiences, multimedia spectacles, retail spaces, resorts and hospitality, destination attractions and others.
