**NEC DISPLAY SOLUTIONS INTRODUCES THREE ENERGY-EFFICIENT  
DESKTOPS TO ACCUSYNC™ SERIES**

***Eco-friendly, Cost-conscious Monitors Provide Simple Necessities***

**CHICAGO – October 1, 2009** – [NEC Display Solutions of America](#), a leading stand-alone provider of [commercial LCD](#) displays and [projectors](#), announced today the addition of three new desktop monitors to its AccuSync Series. With two widescreen displays and one standard-aspect display, this series offers small-to-medium-sized business users a reliable, environmentally-conscious and technology-rich desktop monitor solution.

The energy-efficient 19" AS191, 19" widescreen AS191WM and 22" widescreen AS221WM monitors consume up to 48% less energy than their predecessors. All three models offer an EPEAT™ Silver rating, and ENERGY STAR® 5.0 and TCO 5.0 compliance, giving users confidence that these displays are environmentally preferable purchases. ECO Mode™ technology allows users to maneuver between two energy-savings modes. Additionally, the tilt functionality provides flexibility and enhanced comfort for AccuSync users.

"NEC's AccuSync Series has continually provided business users with the features they need to accomplish day-to-day work and the components that keep them up-to-date with the latest display technology," said Lynn Gu, Product Manager for NEC Display Solutions. "These three new models carry on that long-standing tradition of dependable,

high-quality and environmentally-responsible desktop monitors without the large price tag.”

A partial list of the AccuSync Series features includes:

- VGA and DVI connectivity
- Up to 1000:1 contrast ratio
- 5ms fast response time
- Tilt adjustability
- Touch integratable (AS191WM and AS221WM only)
- Space-saving, down-firing multimedia speakers with headphone jack (AS191WM and AS221WM only)
- Two-step ECO Mode for significant power consumption savings (AS191WM and AS221WM only)
- Carbon footprint meter for tracking of carbon savings
- EPEAT Silver rating
- ENERGY STAR 5.0 compliance
- TCO 5.0 compliance

The AS221WM will begin shipping in October 2009 with an estimated street price of \$249. The AS191 and AS191WM will begin shipping in November 2009 with an estimated street price of \$199 and \$189. The displays ship with a standard three-year parts and labor warranty, including the backlight.
