**NEC DISPLAY SOLUTIONS EXPANDS ACCUSYNC SERIES
WITH 24-INCH LCD DESKTOP MONITOR**

CHICAGO – February 1, 2012 – [NEC Display Solutions of America](#), a leading provider of [commercial LCD](#) display and [projector](#) solutions, announced today the 24-inch [AS241W](#) to its AccuSync™ Series of value-driven desktop monitors. This series is ideal for small-to-medium-sized businesses, schools and government offices.

The LED-backlit AS241W, which joins the [AS171](#), [AS192](#), [AS191WM](#) and [AS221WM](#) displays, offers a full range of environmental compliance, including EPEAT™ Silver, ENERGY STAR® 5.1 and TCO 5.2 ratings. This full HD display boasts a quick 5ms Rapid Response™ time that delivers virtually uninterrupted, undistorted viewing of high-speed, full-motion video. Energy-saving ECO Mode™ enables users to toggle between pre-configured brightness settings that reduce power consumption, heat generation and extend the life of the AS241W.

“The AS241W is our first 24-inch 16:9 display in the AccuSync family, a popular size with the great features our SMB customers need for daily tasks,” said Lynn Gu, Product Manager at NEC Display Solutions. “Many customers have moved to wide-format screens because of their ability to allow the viewing of multiple applications simultaneously. This practice is proven to increase productivity in the workplace.”

The AS241W includes the following features:

- 24-inch, 16:9 TN panel with LED backlighting
- Slim and light design

- 1920 x 1080 full HD resolution
- 1000:1 typical contrast ratio
- 300 cd/m² brightness
- 5ms Rapid Response time
- DVI-D and VGA inputs
- User-friendly On Screen Display (OSD[®]) controls
- Tilt adjustability
- ECO Mode, carbon footprint meter
- ENERGY STAR[®] 5.1 and TCO 5.2 compliant
- EPEAT[™] Silver

The AccuSync AS241W ships with a 3-year limited parts and labor warranty and will be available in February 2012 at an estimated street price of \$239.
