**NEC WINS 2008 MANUFACTURER AWARD OF EXCELLENCE FROM
DISTRIBUTOR INGRAM MICRO**

Ingram Micro Recognizes NEC Display Solutions as Best Peripheral Vendor

CHICAGO – October 27, 2008 – NEC Display Solutions of America, a leading stand-alone provider of professional LCD and plasma displays and projectors, today announced that it has been named the 2008 Best Peripheral Vendor by Ingram Micro Inc. (NYSE: IM), the world's largest technology distributor.

Ingram Micro recognized NEC Display Solutions for this Vendor Award of Excellence in the Peripherals Category based on the company's marketing investment and continued partnerships in Ingram Micro's VTN and GovEd Alliance channel communities, as well as Ingram Micro's Peripherals, and Supplies & Accessories and Digital Signage campaigns.

"It's extremely rewarding to see NEC leveraging Ingram Micro and understanding the strategic importance of the solution provider community," said Kevin Prewett, Vice President, Vendor Management, Ingram Micro U.S. "NEC is exemplary when it comes to embracing the channel."

"We're grateful to receive this recognition and pride ourselves on building solid channel relationships," said Betsy Larson, Vice President of Channel Sales at NEC Display Solutions. "Our channel partner program is the most innovative because of the easy

access, unprecedented value and experienced support it provides to NEC's vast reseller and system integrator network."

More information on NEC's channel programs can be found at
