**NEC DISPLAY NC1201L DIGITAL CINEMA PROJECTOR ACHIEVES  
DCI COMPLIANCE**

***All NEC Digital Cinema Projectors Now Certified; Speaks to NEC's Cinema  
Innovation, Exhibitor Dedication***

**CHICAGO – June 25, 2015** – [NEC Display Solutions of America](#), a leading provider of commercial LCD display and projector solutions, today announced Digital Cinema Initiatives (DCI) compliance for its NC1201L laser projector, targeted to modestly sized theaters.

The NC1201L model is the latest in NEC's [Digital Cinema Projector Series](#) to have earned compliance on DCI Compliant Equipment.

The test was completed by Aegisolve Cyber Security Laboratories, one of three entities licensed by Digital Cinema Initiatives, LLC to comply with the Digital Cinema System Specification Compliance Test Plan (CTP) Version 1.2.

The NC1201L projector provides 14-ft. L (using a 1.8 gain screen) on screens up to 39.4 ft./12m in DCI color.

“Achieving DCI compliance for the NC1201L digital cinema projector is just one way that NEC continues to help valued end customers, channel partners and others meet the demands of the 21<sup>st</sup> Century communications landscape,” said Rich McPherson, Sr. Product Manager for Projectors at NEC Display. “The NC1201L takes advantage of a

solid state light source to give exhibitors a lower total cost of ownership and a virtually maintenance free projector with 20,000 hours of lifetime.”\*

“Aegisolve is pleased to report that the NEC NP-NC1201L-A and NP-NC1201L-A+ satisfy all of the applicable requirements of the DCI CTP 1.2,” said Desiree Spann, Aegisolve, Inc. CEO. “Such compliance results in an enhanced movie-going experience.”

The NC1201L projector comes with a two-year limited warranty (for U.S. and Canada only), including parts and labor.

*(\*) This lifetime may vary depending upon environmental conditions.*
