## Sharp Secures Multiple InfoComm 2025 Award Wins for its Groundbreaking Display Innovations

*Brings home eight awards, furthering its position as an AV industry leader*

**MONTVALE, NJ – July 10, 2025**– [Sharp Imaging and Information Company of America](#) (SIICA) announces today that it has secured eight Pro AV technology awards during InfoComm 2025, showcasing its leadership and innovation in the industry. This year, Sharp focused on highlighting new products like its [All-in-One Direct View LED Series](#), [XP-P721Q Laser Projector](#), [MultiSync® PN-M Series Displays](#) and [PN-LM Series AQUOS BOARD® Displays](#), which received accolades from Commercial Integrator, Projector Central, rAVe and Tech & Learning.

“The awards at InfoComm set the standard of excellence in the Pro AV space, and seeing Sharp’s innovative products receive these recognitions underscores our commitment to deliver top-tier solutions that address the diverse needs and challenges of our customers and partners,” said Keith Yanke, VP of Product and Solutions Marketing, Sharp. “We are proud that our products were selected as winners by industry professionals and our customers.”

Sharp received recognition for its groundbreaking, innovative products including:

- rAVe – 2025 Readers’ Choice Awards – Favorite New Digital Signage Product of 2025: **Sharp All-in-One Direct View LED Series**
- Projector Central – 2025 InfoComm Best of Show – **Sharp XP-P721Q-W 4K DLP Laser Projector**
- Commercial Integrator – BEST Awards – Interactive Whiteboards: **AQUOS BOARD PN-LM (PN-LM551 and PN-ML431)**
- Tech & Learning – InfoComm Best of Show Awards – **AQUOS BOARD PN-LM**
- rAVe Best of InfoComm Awards – Best LCD Display – **Sharp Second-Generation M Series (PN-M322, PN-M522, PN-M652)**
- Higher Ed AV Awards, UVA McIntire Case Study featuring the **FE series of dvLED**
- rAVe Best of InfoComm Awards – Best Booth Experience – **Sharp**
- CTI Spotlight Award - **Sharp**

InfoComm, known as the premier event for AV and integrated experience solutions, brought together best in class collaboration and Pro AV technologies, covering topics like AI, digital signage, sustainability and more. Sharp’s presence centered on the theme “New is Now,” featuring new, state of the art products like its All-In-One Direct View LED display. Launched in April 2025, Sharp’s new dvLED display provides a seamless image with exceptional contrast and brightness along with a simple, hassle-free installation process – a trailblazing display solution that wowed attendees at this year’s show.

“Returning to InfoComm is always a highlight of the year as it provides us with the platform to unveil our range of innovative business solutions to the Pro AV community,” said Jennifer Cheh, SVP

Display Marketing and Product Management, Sharp. “As a company with a global reach, channel-focused strategy and a product lineup that addresses our customers’ needs, Sharp is continuing to grow and drive innovation in the industry.”
